Resolved to inform the Poor Law Board that Thomas Brettell Barrett of Welshpool, who had been appointed Medical Officer for Guilsfield despite not being resident in the district, had been employed because no medical officer resided there: Barrett lived within a quarter of a mile of his district, had been employed as such for the last 12 months and previously by the parish of Guilsfield for 18 years.
The report of the Visiting Committee on removing the ironwork from the walls of the workhouse and making other improvements to the workhouse and stables was adopted.

It was decided unanimously to ask the county magistrates to cease holding their monthly meetings in the Board Room as soon as they could make other arrangements, Llanfyllin Town Hall being well fitted up for the purpose.

The Clerk produced an estimate of the probable amount to be contributed by each parish in the next half year.
